Pay Statement

Pay Statement

App provides access to current and legacy Pay Statements and P60s.

My Leave

My Leave

The MyLEAVE Application has been created to enable Service Personnel to submit a leave request in to JPA without being connected to a MODNET Terminal.

My Expenses

My EXPENSES

The MyEXPENSES Application to enable Service Personnel to submit an expense claim in to JPA without being connected to a MODNET Terminal. The App has been designed to be a simple and efficient way to submit expenses, whilst much of the existing JPA functionality has been incorporated into the design to maintain consistency. The key features of the MyEXPENSES App are that you can submit an expense claim at any time, from any device, and in any location where you are connected to the internet.
