CLO Update

As we welcome in another month I think I have now met most of you. Our first community events are underway, some of you have joined in the EJSU sunflower growing competition and the Great Ulm Bake Off has just launched. The NSE team look forward to tasting any samples you wish to bring in to the office. With the local COVID case numbers dropping and restrictions being lifted I hope we can soon host our first face to face community event.

This month we welcome Lt Cdr James and his family, who appear to have brought the sun with them from Belgium.
